

ING Vysya Life Insurance joins hands with BangaloreOne

First life insurance company to tie-up with Karnataka's Government-led integrated citizen service initiative

ING Vysya Life Insurance in association with BangaloreOne and Government of Karnataka today launched the service of Insurance Policy Renewal payments through BangaloreOne's Integrated Citizen Service Centers. Customers of ING Vysya Life Insurance can now pay their Policy Renewal payments at any of the 16 BangaloreOne centres spread across the city. Executives of BangaloreOne have been trained by ING Vysya Life to assist the customers in renewing the policy.

Mr. Rajeev Chawla, IAS, Secretary e-Governance, DPAR (AR) and **Mr. Rahul Agarwal**, Vice President of Customer Services for ING Vysya Life, inaugurated this service at an event held on 28th June 2007.

Customers of ING Vysya Life Insurance can now walk into any of the customer friendly BangaloreOne centers and handover the Renewal Premium Notice or convey the policy / contract number to the executives present. The executives will confirm the exact amount with ING Vysya Life online, accept payment and subsequently hand over a BangaloreOne receipt.

Speaking on the occasion Mr. Agarwal said *"Our association with BangaloreOne is another value addition that we are able to provide to our esteemed customers. With well established BangaloreOne centers at 16 locations, it would provide ease and convenience of renewal premium payment to our Bangalore customers."*

This service would be available at all BangaloreOne centers round the clock on all days, including holidays. It is a service that is offered free of cost to all the Bangalore based ING Vysya Life customers and they have the option to pay by Cash, Cheque, Demand Draft or Credit Cards (at no card charges). The same facility would also be available on the Bangalore One online portal - www.bangaloreone.gov.in

BangaloreOne is the integrated citizen service project of the Government of Karnataka, engaged in providing the delivery of a variety of services to the citizens for and on behalf of various government departments, utilities and other agencies using Public-Private-Partnership through a one-stop-24/7-shop concept.
